

AQUARIUM WARRANTY

MIRACLES IN GLASS INC.

Miracles In Glass Inc. AKA Miracles Aquariums, hereafter referred to as Miracles, warrants all manufactured aquariums against leaks due to workmanship for a period of 5 years. This warranty is non-transferable and is only available to the original purchaser who has completed a warranty registration form below, mailed or faxed it to Miracles within 30 days of purchase, has maintained a copy of the original receipt and can offer the receipt as proof of purchase if requested. If the receipt is from a local dealer / reseller, the receipt must specify Miracles as the Manufacturer.

This warranty is subject to the following conditions:

- ✓ If the aquarium is not installed and maintained using a compatible stand purchased from Miracles at the same time as the aquarium, this warranty is only valid for 1 year from date of purchase.
- ✓ Failure must be the result of a defect in manufacture and not due to improper use, defective material, accident, misuse, abuse or act of Nature. Modification or alteration of the aquarium by drilling, cutting, gluing anything to removing bracing other similar means voids the warranty.
- ✓ The aquarium bottom must be fully supported on a flat level surface using plywood and a minimum of 5/8" styrofoam. If using a metal stand manufactured by Miracles the plywood and styrofoam are still required. If the aquarium is not supported fully on the bottom, even temporarily the warranty is void.
- ✓ This warranty is void if the aquarium has been damaged in any way, at anytime; including breakage that occurs after the aquarium is set up that is caused by improper setup or accident.
- ✓ This warranty is limited to the replacement of the aquarium and does not cover marine loss, personal injury, property loss or direct, incidental or consequential damage arising out of the use of this aquarium. Miracles liability to the purchaser is limited to the replacement of the tank. By purchasing and operating an aquarium from Miracles you acknowledge and accept the risks of any accidents and/or damage arising from misuse, poor maintenance, incorrect setup/installation, and ongoing usage.
- ✓ Marine grade silicone is subject to occasional bubbles in the seams; this is to be expected and is not warranted against.
- ✓ This warranty does not extend to leaks involving bulkheads or connections; these are the sole responsibility of the purchaser and are not warranted by Miracles.
- ✓ Stands and canopies are excluded from any warranty, expressed or implied.
- ✓ All components resold by Miracles are covered under their respective manufacturers' warranty, Miracles does not warrant any component other than their own manufactured products.

- ✓ To be effective, this warranty sheet must be filled out completely and mailed or faxed to our factory within 30 days of purchase. If not purchased directly from Miracles, proof of purchase must accompany the registration.
